

1. The student showed a good understanding of the presented paper.  
 Strongly agree                       Agree                       Undecided  
 Disagree                               Strongly disagree                       Not applicable
2. The presentation described and illustrated important features of the paper.  
 Strongly agree                       Agree                       Undecided  
 Disagree                               Strongly disagree                       Not applicable
3. The presentation contained good examples.  
 Strongly agree                       Agree                       Undecided  
 Disagree                               Strongly disagree                       Not applicable
4. The presentation included a good critique of the paper describing its strengths and weaknesses.  
 Strongly agree                       Agree                       Undecided  
 Disagree                               Strongly disagree                       Not applicable
5. The presenter was able to answer questions about the paper.  
 Strongly agree                       Agree                       Undecided  
 Disagree                               Strongly disagree                       Not applicable
6. The presentation contained deep, possibly surprising insights that would most likely not be obvious from a first glance at the paper.  
 Strongly agree                       Agree                       Undecided  
 Disagree                               Strongly disagree                       Not applicable
7. The presentation contrasted the paper with other papers in the same domain, pointing out key differences and similarities.  
 Strongly agree                       Agree                       Undecided  
 Disagree                               Strongly disagree                       Not applicable
8. The student used visuals effectively.  
 Strongly agree                       Agree                       Undecided  
 Disagree                               Strongly disagree                       Not applicable
9. The presentation was exciting.  
 Strongly agree                       Agree                       Undecided  
 Disagree                               Strongly disagree                       Not applicable
10. The presentation enabled the audience to make more informed choices about when to consider deploying (or not deploying) solutions based on the techniques presented in the paper.  
 Strongly agree                       Agree                       Undecided  
 Disagree                               Strongly disagree                       Not applicable
